Re: Notice of File Closure for Small Mining Activities, S/055/007, Wayne County, Utah

Dear Mr. Shields:

In checking our files, it has come to our attention that the Division never officially released you from proposed test work located in Section 11, T28S, R8E, Wayne County, Utah. The last correspondence found in our file is your 1992 annual report wherein you stated that no work was ever performed at this site and you were dropping the claims. We contacted the BLM and found that the BLM has no claims under your name for this location. Apparently the claims had been dropped and no recording made by the BLM as no work had been performed at the site. We apologize for the delay in closing this file. This letter is official notification that file #S/055/007 will now be closed and retired from our files.

If there are any questions or concerns regarding this action, please notify us within 15 days from receipt of this letter.

Sincerely,

Anthony A. Gallegos
Senior Reclamation Specialist
